

Danone II

Hanoverian, Black, born 2002, 16.2 hands

Danone II is nothing short of his full brother, top stallion Danone I: gorgeous and with an ample uphill frame this jet black stallion captivates with spectacular performance. He impresses with excellent rideability and De-Niro-like ability for collection.

The combination of De Niro and Weltmeyer guarantees first class dressage talent. This stallion also proves that we should not follow the latest vogues but rely on stallions with stable hind legs and backs from consolidated dam lines.

2006 Danone II completed his 30 days performance test as champion of rideability with a score of 9, 75. He was placed in young horses dressage tests in the same year.

2007 He won dressage tests at L level and qualified for the German Young Horse Championships.

2008 Successful in dressage tests at M level.

2009 Danone II provides the champion filly of the Klosterhof foal show of May 1st.

Danone II: A beautiful stallion with the sought-after jet black coat

Licensed for: Hanoverian, Rheinland, Oldenburg, Westphalian and Denmark
