

Just Perfect

Baden-Württemberg, Bay, Born 2000 16.3 hands

Noble son of the young stallion, Jazz Time, who mesmerized everyone in 2004 by a winning series all the way up to Intermediaire I with 12 first places and an outstanding third place at the Nürnberg Burgpokal. His first class and highly decorated off-spring have made Jazz Time an absolute magnet for mares at his station. Just perfect goes back to two stallions of the century, Furioso II and Romadour II and also has three Grand Prix winners in his pedigree: Jazz, Cocktail and Pasteur xx. His dam, SPS Ronja, goes back to the legendary Trakehner stallion, through the Premium stallion, Rico, who goes back to the trademark stallion, Ramiro, and then Präses . The granddam, Piroschka, is the dam of a State Champion, Fürst Hausen by Flaneur, and the great granddam, Kati, produced the successful advanced level horse, Kaolus Magnus (M. Schaudt).

Just Perfect was the celebrated Champion Stallion at the first saddle approval in Baden-Württemberg in November 2004 and after being under saddle for just three months, he did a top job at his 30 day test with a score of 8.24 in dressage and 7.8 in jumping with a total score of 8.1. His debut in sport was crowned when he became a finalist at the State and Southern German Championships. Just Perfect has three spectacular basic paces that cover a lot of ground, are always elastic with perfect rhythm and simply magnificent with their clear up and out tendency. His pedigree, saturated with performance genes, a modern look with long legs and his exceptional movement quality all promise to make him a sire who not only meets the demands of today's breeding goals but will also reliably advance the breed as well. Breeding him to the D, R and W lines is an excellent choice.
