

Lord Pezi

Oldenburg, Bay, Born 1995 16.3 hands

His sire Lacros was a series winner during the nineties on the international show jumping scene under Dirk Schröder, winning nearly a quarter of a million Euros during his day. In spite of a handicap for age, Lord Pezi took second place overall at his stallion performance test with a score of 127 while winning the partial index for jumping with 136 points.

Successful all the way up to advanced (S) level, seven offspring from his first crop were sent to the Bundeschampionat. Today his progeny win Grand Prix competition, e.g. Lord Spezi with Katharina Offel, Lombardia under Olkiver Ross or Lariccello with his New Zealand rider, Duncan Mc. Farlane.
