This handsome, Holsteiner won the Bundeschampionat qualifier in Warendorf twice and did exceptionally well in the final. These days, Quintender and his rider Helena Torstensson are impressing the crowds in 1.50 m classes with a perfect bascule. His sire, Quinar, is a successful international show jumper ridden by Jos Lansink. With Quidam de Revel in his gene pool, Quinar is one of the best modern-day show jumping sires around. Maternal grandsire Contender, whose offspring have won a total of EUR 5.4 million, is one of the leading Holstein stallions with a proven ability to produce quality dressage and show jumping horses. Licensing champion Lord is in the third generation of Quintender's bloodline, adding yet another performance horse producer to this impressive pedigree, which is rounded off by legendary thoroughbred, Sacramento Song xx. Quintender descends from a consistent dam line. Granddam B-Estelle produced VDL Cardento, Peter Eriksson's Olympic team silver medal winner. International show jumpers such as Leonardo/Franke Sloothaak and the approved stallions Cardenio, Cyranos, Leandro, Quinto de B, Capitalist, Colorit and Randi/John Whitaker are descended from this Holstein 741 line.
