

# Royal Diamond

Oldenburg, Dark Grey, Born 1994 16.2 hands

Royal Diamond was retired from sport in 2009 on the occasion of the Oldenburg Althengstparade in Vechta. The sport record of this Rubinstein son and full brother of Rohdiamant, who is also stationed in Lodbergen, is practically unrivaled: 1996 I-f Premium stallion, 1997 performance test winner, 1998 I-b Main Premium, 1999 2nd place at the Bundeschampionat in the class for five-year old dressage horses, 2000 Bundeschampion of six-year old dressage horses and VTV Dressage Stallion of the Year. He then placed twice in the Final of the Burg Pokal, was declared "Promising Stallion" in Zwolle and then chalked up 40 victories in classes up to Grand Prix, including the Weser-Ems State Championships.

Royal Diamond also set clear accents in breeding with his exceedingly rideable progeny. Examples are Royal Concert, who was sold in the fall of 2007 in Vechta for 172,000 Euros and then became the British Champion of six-year old dressage horses under Peter Storr. Diamore and Marco Bernal/COL participated in the World Cup Final in Las Vegas/USA. Monét was the top priced horse at the first Classic Sales at Wietelshof in Warendorf, selling for 150,000 Euros.

But Royal Diamond was also the sire of other top priced auction horses such as Roadrunner, Royal Discovery, the Vice State Champion Royal Deniro, Reader's Digest and Royal Happyness. At the 2009 P.S.I. Auction, Royal Milva came with a price tag of 380,000 Euros. More than 350 offspring registered in sport are highly successful all the way up to advanced (S) level such as Royal Gala, Rich Charly II, Rhythm and Dance, Royal Affair, Royal Floggensee and Royaldik. The last two of these are among Royal Diamond's seven meanwhile licensed sons.

Licensed for Hanover, Oldenburg, Rhineland, Westphalia and southern German associations and Switzerland
