

# Samarant

Hanoverian , Black, Born 2001 16.3 hands

Hanoverian Vice-County Champion at the World Young Horse Championships in Verden and winner of the local championships for Young Horses in Nienburg as well as successful finalist at the German Championships for Young Horses in Warendorf.

Attractive, dynamic Sandro Hit son with three excellent gaits, the quality of which were confirmed at his stallion performance test where he was awarded top scores.

His desirable dam “Bellvue” by Brentano II is a beautiful type, one of the most prominent state premium mares from the Hanoverian breed. She has won her category at the Mare Show four times in a row. This model pedigree is excellently completed by the English thoroughbred lineage with the thoroughbred “Andrang xx”. The thoroughbred mare “Wise Girl xx” produced the national stud stallion “Wild Life” by Warkant.

Samarant is a brilliant combination of the reliable Sandro Hit bloodline and Bellvue’s noble, producer-proven mare lineage.

Approved for Oldenburg, Mecklenburg, Hanover, Rheinland, Westfalia, South German Associations, France
