

# Sandro Hit

Oldenburg , Black, Born 1993 17.1 hands

## “Modernity at it’s Optimum”

**Sandro Hit is already writing sporting and breeding history. National Young Horse Champion — Young Dressage World Champion — unique producer of performance offspring**

**Sandro Hit progeny are breaking all price-records, are annually winning championships and are Approval Champions**

His success in breeding is no coincidence. His sire Sandro Song was Oldenburger Champion Young Stallion and Main Premium Champion. His dam, elite mare "Loretta" is as a dominant producer virtually unbeatable. She produced the Reserve World Champion and Reserve German Young Horse Champion Diamond Hit and the highly elegant 1c premium stallion Royal Hit. Her sire Ramino was Stallion Performance Test Champion and later on five times Italian Champion. Welt As from the third generation is one of the most influential producers over the last years, amongst others he sired Olympic gold medallist Bonfire ridden by Anky van Grunsven. Sandro Hit, a strikingly beautiful black horse, brilliant type with quality movement, has a sheer black gene. The supporters of Hanoverian stud found him particularly interesting and once again he brought the highest price at every single foal auction in Verden.

Approved for Oldenburg, Hanover, Rheinland, Westfalia, South German Associations, Sweden, Denmark, France
